

India's development trajectory in the neoliberal era

Jayati Ghosh, Jawaharlal Nehru University, India

Monday 3rd July, 9.30 – 12.30

ABSTRACT:

How have neoliberal economic policies adopted by successive governments since 1991 led to changes in the regime of accumulation in India? What have been the effects on the pace and pattern of growth, and on employment, inequality and poverty? These issues will be addressed in a gendered perspective.
